MEMORANDUM FOR: Director, FBIS

THROUGH : Chief, Operations Group

SUBJECT : Hong Kong Bureau Monthly Report for November 1981

I. GENERAL

1. Consul General's Arrival--New Consul General Burt Levin arrived at post 2 November. On 6 November he visited the Consulate offices at Hopewell accompanied by Deputy Consul General Dick Williams. His visit to FBIS gave him the opportunity to renew some old acquaintances made during two previous tours in Hong Kong.

2. CINCPAC Commander--The bureau chief attended a dinner on 20 November for CINCPAC Commander Adm Robert Long. Both the admiral and his political adviser Mike Conners had high praise for FBIS, noting our material often constituted the first reports they received on important developments.

II. OPERATIONS

A. Communications

1. Teletype hours--The bureau's Monday-Thursday 24-hour communications were discontinued on 28 November. The midnight shift, which had been instituted primarily to punch State traffic, was made superfluous when the Consulate finally installed its TERP equipment during the month.

III. ADMINISTRATION

1. Resignation--Media Analyst [redacted] effective 30 November, to take a better paying job with Jardine Matheson.

2. FOD's--Trainee technician [redacted] and media analyst [redacted] both on 30 November.
